CAREER OBJECTIVE

I am a skilled full-stack developer experienced in MERN stack development, React, Node.js, MongoDB, Express, WordPress, PHP, HTML, CSS, JavaScript, jQuery, CSS frameworks (Bootstrap, Tailwind CSS), and Git. I have a strong track record of building responsive web applications with intuitive user interfaces. With expertise in both front-end and back-end development, I excel at creating efficient and scalable solutions. I am committed to staying up-to-date with industry trends and thrive in collaborative environments, delivering exceptional results within deadlines.
