AYAAN ASIF

Summary

Junior Web Developer specializing in front end development. Well-versed in numerous programming languages including HTML5, JavaScript, CSS, SASS and some frameworks like Bootstrap, React.js, and dedicated to become professional in this field.

Skill Highlights

- Project designer
- Strong decision maker
- problem solver
- Creative design
- Innovative
- Service-focused

Experience

Web Developer - 03/2022 to 04/2023

Website Development for my portfolio and projects

- Designed and developed a responsive website using HTML, CSS, and JavaScript and frameworks like React.js and Bootstrap for my portfolio and some projects.
- Created engaging content, optimized the webpage using React.js for fast loading time, and implemented development tools like hooks for better experience.
- Resulted in increased my thinking capability and also improved my skills in designing a website.
