About Me:

I began my graduation from Lahore Garrison University to acquire the knowledge of Computer science. Later developed the interest in web development and design as I found it enjoyable. After the completion of my Bachelor degree in Computer science. I realized that I need to improve my skillset in order to survive in the development field. As a result, I join the MERN Stack development course at PNY Trainings (2021) and later joined GameTrain under TechLift and PASHA Bootcamp to boost my skill from scratch.

Professional Experience:

Junior MERN Stack Developer at GameTrain | December 2022 – February 2023

Participated in 11-week Jr. MERN Stack Developer program spending over 300+ hours learning how to develop MERN based Web Applications: from the fundamentals of Programming to build skills needed to be successful in MERN Stack development.

TechLift(GameTrain) | December 2022 – February 2023

MERN Stack Development Internship (3 Months)

- Basic Programming (JavaScript).
- HTML ,CSS , BOOTSTRAP and React BootStrap.
- Deal in React js components , UseStates (Hooks) and React Routing.
- Node js (Express js) , Rest APIs.
- MongoDB.

PNY Trainings | July 2021 – September 2021

MERN Stack Development Course (3 Months)

- Basic Programming.
- HTML ,CSS and BOOTSTRAP.
- React js.
