

# Muzhar Abbas

## **Fullstack Web Developer with a Passion for Creating Innovative and User-Friendly Applications**

Township Sector A-1 54770

[muzharhussainjogi@gmail.com](mailto:muzharhussainjogi@gmail.com)

+92 300 7817262

I am familiar with a variety of programming languages include python ,Django, Html, CSS, Bootstrap, React js and MySql.

But i am always adding new skills to my repertoire.

i am also eager to meet others developers in the area so feel free to connect.

Work with development teams and product managers to ideate software solutions.

Design client-side and server-side architecture.

Build the front-end of applications through appealing visual design.

Develop and manage well-functioning databases and applications.

Write effective APIs.
