Address : Thokar Niaz Baig , Lahore

PROFILE

Ambitious and dedicated for my career as full stack developer. Learning and improving my knowledge and skills with the help of my educational background and professional industrial training. I am striving hard to achieve my goals and working with professional developer's team in a software company. Learning new development techniques, collaboration with developer's team, pair programming, meeting projects deadlines and working on progressive web applications for faster user experience.

WORK EXPERIENCE

Einnovention Software Solution LLC -
Lahore

June 2022 — Present

FrontEnd Developer React js.

Currently working with Einnovention Software Solution as a React, HTML, CSS, Javascript and Wordpress Developer.

- Doing web application development in React, HTML, CSS, and JavaScript.
