April 2022

TRAVEL AGENCY

- Worked with my senior to a complete second site.
- Used markup languages like HTML to create user-friendly web pages.
- Maintained and improved the website.
- Optimized applications for maximum speed.
- Designed mobile-based features.
- Collaborated with back-end developers and web designers to improve usability.

About the Project:

Initiated in the United Kingdom by a team of three people who worked to provide flight tickets, the team strived to bring continuous improvements and innovations to their services. In 2012 its head office moved from Oxford Street to Croydon and it now comprises a team of over 50 qualified, dedicated, and skilled individuals who aim to give their customers memories to last a lifetime.
