Professional Summary

As a React developer with 6 months of internship experience, I bring enthusiasm and a solid foundation in HTML, CSS, JavaScript, Redux, Antd, and React. I am dedicated to delivering clean, efficient, and user-friendly code. My greatest strengths include a sharp eye for detail, excellent problem-solving abilities, and a passion for staying up-to-date with the latest web development trends. Let's work together to create cutting-edge applications that stand out from the crowd!

Employment

Web Intern Feb 2023 - Present
VentureDive, Lahore

As a web intern at VentureDive, I am honing my front-end development skills, gaining hands-on experience with React, Redux and Ant Design. My work has strengthened my focus on detail and passion for crafting intuitive, user-friendly web applications. I'm eager to keep learning and growing in my role as a developer.

Web Intern Aug 2022 - Nov 2022
InfoGrasps, Lahore

As an InfoGrasps intern, I gained hands-on experience and mentorship in front-end web development basics, developing a strong foundation in HTML, CSS, and JavaScript. I also created several mini projects that showcased my problem-solving abilities and creativity, while also reinforcing my learning.
