Experience 2 years

Company	Designation	Duration	
Cyber Sync Technologies	Front End Developer / ReactJS Developer	Mar 2022 - Present	1.1 years
Geeks Hub	Front End Developer Intern	Apr 2021 - Jul 2021	3 months

Work History

Cyber Sync Technologies	Mar 2022 - Present (1.1 years)
Front End Developer / ReactJS Developer	Peshawar, Pakistan
I am Working as Front End Dev. I have developed the Front end for different Projects there and worked on different CSS frameworks like Bootstrap, and Tailwind CSS using React Js. I used Axios for API integration, used the JWT Token for authentication and react-router dom v6 for routing.	
Geeks Hub	Apr 2021 - Jul 2021 (3 months)
Front End Developer Intern	Abbottabad, Pakistan

I started working as an internee working on different designs and making these designs pixel-perfect. I have completed 3 months of internship as Front End Developer where designs were made Pixel perfect and responsive as well from Scratch.

Projects
