Results-driven BSCS graduate and aspiring Front-End Developer with a passion for honing my skills and gaining valuable experience in the field of computer science. Equipped with a solid educational background, I am eager to contribute my technical expertise and creativity to develop dynamic and user-friendly web applications. During a three-month paid internship at Int Corporation, I gained hands-on experience in front-end development, collaborating with cross-functional teams to deliver innovative solutions. With a strong foundation in HTML, CSS, JavaScript, and responsive design, I am committed to staying up-to-date with the latest industry trends and best practices. Seeking an opportunity to contribute to a dynamic organization and continue expanding my skill set in a challenging and rewarding environment.
