# **Career Objectives**

Explored to pursue a career with provides opportunities of serving. Efficiently with all the abilities and expertise that I acquired during my academic career and practical experiences where I can prove my intellectual abilities, creativity, competency and personal commitment and whereby professional capabilities can be further.

# **Work Experience**

March 2021 - March 2022

VU(SWH)

Lahore, Pakistan

#### Responsibilities:

I started my Project (Online Leather Store) at VUSH from March-2021 to March-2022 and then all internees are on hold due to Covid-19. Due to current COVID-19 situation all over the world, almost all businesses are shifting towards the online mode. In view of this, the main objective of this online leather point store is to develop a website through which the registered users will be able to order different Leather items such as bags, shoes and jackets etc. from anywhere without physically visiting the market. This website will be beneficial for not only the local users but it will also be beneficial for users belonging to other places for purchasing the Leather items
