# Ali Musa

Software Engineer

## Contact

**Phone**

+92-3029419821

**Email**

ali.musa7214@gmail.com

**Address**

Valancia Town Lahore

## Experience

October 2022-April 2023

I have completed 6 Months Internship as a frontend developer at Code UpScale
Designed and developed user-friendly and responsive web
Collaborated with the design team to ensure consistency in design and user experience
Worked closely with the Backend Development team to integrate frontend functionality with server-side environment
Utilized Git for version control and collaborated with the team using Agile methodology and project management tools (e.g., Jira)
