SUMMARY

As a ReactJS internee, I am a highly motivated and skilled individual with a strong passion for web development. With a solid foundation in JavaScript and React, I have gained hands-on experience in building interactive and responsive user interfaces. My internship experience has allowed me to collaborate effectively with cross-functional teams, contribute to code reviews, and participate in the development of web applications using modern tools and technologies. I am eager to continue expanding my skills in ReactJS and contribute to meaningful projects while continuously learning and growing as a front-end developer.

Mern Stack Developer(6 Month)

IDEOVERSITY

My Skills
